

The Standard of
Veterinary Excellence

AAHA Accredited Practice / Feline Friendly Member

Welcome to South Forsyth Animal Hospital! Our goal is to provide your pet with top quality medical care and grooming in a friendly, supportive environment. Our doctors and staff will take the time to answer any and all questions – whether they be about routine care or more complicated medical concerns. We are experienced in preventive medicine for all life stages, routine surgery as well as more extensive soft tissue surgery, laser surgery, dentistry and dental x-ray, radiography, ultrasound, ultrasound guided fine-needle aspirates, and cold laser therapy.

Meet Charlie Matthews

“A second generation groomer, I grew up in my mother’s veterinary hospital watching her practice medicine and my father groom. I spent my entire childhood and adolescent years watching my parents build lifelong relationships with people and their pets.

I was excited to begin my own career as a groomer in 2008. I have seen the joy that a new pet can bring to a household, and I have also witnessed the sadness that comes with losing one. It is that experience that has instilled within me the value of being trusted with your pet. You can rest assured that your pet is in caring, capable hands.”
